Celiac Sprue Association Welcomes Corporate Benefactor Member, Cargill

The Celiac Sprue Association (CSA) announces the addition of Cargill as its newest Corporate Benefactor Member. Through their generous support, CSA Corporate Benefactor Members further the CSA mission of helping individuals with celiac disease and dermatitis herpetiformis and their families worldwide through information, education, support and research.

Cargill is an international provider of food, agricultural and risk management products and services. With 158,000 employees in 66 countries, the company is committed to using its knowledge and experience to collaborate with customers to help them succeed. Cargill is actively engaged in gluten-free product research and development and has developed gluten-free bakery prototypes that address bakers' technical challenges and meet consumer demands. For more information about Cargill, visit <http://www.cargill.com>.
